

REMARKS

5 The Title of the Invention has been amended. No claims have been amended. Claims 9 and 35 have been cancelled. Claims 1-8 and 10-34 remain in the application. Further examination and reconsideration of the application, as amended, is hereby requested.

10 In Section 2 of the Office Action, the Examiner stated the title is not descriptive. Applicant has amended the title to make it more descriptive of at least one aspect of Applicant's invention.

15 In Section 6 of the Office Action, the Examiner rejected claims 9 and 35 under 35 USC 102(b) as being anticipated by US Patent Application Publication US 2003/0058674. Applicant has cancelled claims 9 and 35 thus obviating this rejection.

20 In Section 7 of the Office Action, the Examiner indicated that claims 1-8 and 10-34 were allowable. Applicant wishes to express his appreciation to the Examiner for this indication of allowance.

25 Applicant believes his claims as amended are patentable over the art of record, and that the amendments made herein are within the scope of a search properly conducted under the provisions of MPEP 904.02. Accordingly, claims 1-8 and 10-34 are deemed to be in condition for allowance, and such allowance is respectfully requested.

30 If for any reason the Examiner finds the Application other than in a condition for allowance, the Examiner is respectfully requested to call Applicant's undersigned representative at the number listed below to discuss the steps necessary for placing the application in condition for allowance.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 08-2025. Should such fees be associated with an extension of time, Applicant respectfully requests that this paper be considered a petition therefore.
